

Water and Wastewater Works Advisory Board

State of Alaska Department of Environmental Conservation

Rescinding of Past Board Policies

Background

The Governor's Water/Wastewater Works Advisory Board has been adopting policies since 1988. Policies are designed to interpret regulation and recommend procedure. The Department uses Board policies to consistently evaluate exam eligibility, interpret regulation, and implement procedure.

Introduction

The Operator Certification Program has evolved through the years. Some of the past Board policies are no longer relevant. In some cases, policies interpret regulations that no longer exist. In other cases, policies recommend obsolete procedures.

Discussion

The Board reviewed policy 2010-01, 2010-02, and 2010-03 during the August 31, 2016 meeting. The policies were targeted to be rescinded.

A Motion to Rescind Policies

The Board voted to rescind the following policy at the August 31, 2016 meeting and be effective when the new regulations (18 AAC 74) are adopted. The effective date of 18 AAC 74 is November 26, 2016.

Policy 2010-01 Continuing Education Unit (CEU) Training

The policy was superseded by Policy 2016-01.

Policy 2010-02 Continuing Education for Certificate Renewal

The policy is now codified in 18 AAC 74.810

Policy 2010-03 Continuing Education for Wastewater Stabilization Pond (WWSP) Operator Certificate Renewal

The policy is now codified in 18 AAC 74.810

Policy 2009-01 Renewal of Lapsed Certificates for Operators Returning from Active Duty Deployment in the Armed Services

The policy was superseded by Policy 2016-02.
