| Managerial    | Utility Management Training     | A person who holds a position of responsibility for management of the utility has completed a DCRA approved Utility Management course or other utility management training course within the last five years |               | 5        | 5           | Brett Goodwin attended Personnel Management for Rural Utilities training on 1/27/2020.                                                                                                                                                                                           | To maintain the full points in this category, consider sending someone to one of the free RUBA trainings each year.                                                                                                                                                | Andy Durny<br>DCRA RUBA Program<br>269-4132             |  |
|               | Meetings of the Governing Body  | The utility owner's governing body meets routinely consistent with the local ordinance/bylaw requirements and receives a current report from the operator                                                    |               | 5        | 2           | Minutes were provided for the following months during this reporting period: June, July, August, September, October 2022. The water operator report was not consistently included in the meeting minutes.                                                                        | To receive additional points, the governing body needs to meet according to local ordinance/bylaw and submit meeting minutes to RUBA. The minutes should document that a report to the council was made by the operator. Contact your assigned LGS for assistance. |                                                         |  |
|               |                                 | The utility owner's governing body meets routinely consistent with the local ordinance/bylaw requirements                                                                                                    |               | 2        |             |                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                    |                                                         |  |
