|                                                                                                                       | Meetings of the Governing Body  | The utility owner's governing body meets routinely consistent with the local ordinance/bylaw requirements and receives a current report from the operator                                                    |               | 5        | 2           | Minutes were provided for the following months during this reporting period: June, July, August, October 2022 . The water operator report was not consistently included in the meeting minutes.                                                                                                                              | To receive additional points, the governing body needs to meet according to local ordinance/bylaw and submit meeting minutes to RUBA. The minutes should document that a report to the council was made by the operator. Contact your assigned LGS for assistance. |                                                           |
