						Totals	264	24,107	

¹ Small commercial passenger vessels have overnight accommodations for 50 to 249 passengers.² Marine Sanitation Device: Model (# of units). Non-discharge (ND) vessels are not required to provide treatment system information.³ Based on the number of lower berths for small cruise ships. Based on max passenger capacity for Alaska Marine Highway System (AMHS) vessels.⁴ Assumes full passenger capacity on every voyage.⁵ Alaska water extends 3 nautical miles from the coastline and includes the Alexander Archipelago

Vessels highlighted in gray (indicated by 'ND') have registered as non-discharge vessels. No effluent sampling is required.
